

*The KeysTones feature All American Music from yesterday and today in traditional (and sometimes not so traditional) Barbershop Style. Lead singer Jeff Olesen is a former State Department Diplomat. Tenor Wylie Forster is a snowbird hailing from Richmond Hill Canada. Bass Ray Schiller assists his wife in running Florida Native Plants Nursery and Landscaping. Baritone Jim Stoup officiates boy's lacrosse when not singing barbershop. Together, they represent over a century of barbershop singing experience. They can be seen on Sarasota Chorus of the Keys Shows and perform actively throughout the greater Manasota Area.*
